Leaflet promoting text messaging services for MSM

It's My Turn

Fast, friendly, expert and confidential information, referrals and counseling just for you are only a text message away!

To get more information about friendly services in your area, use your phone to send a short text and the name of your town to 1406.

- Worried that you may have gotten an infection from sex? **Text STI**
- Need to know where to go for friendly HIV testing? **Text VCT**
- Want to know about medicines and therapies for HIV-positive people? **Text ART**
- Want to know where to buy condoms or lubricants? **Text PROTECT**
- Need to talk to someone in private about your HIV and AIDS questions? **Text HELP**

Remember to add the name of your town after STI, VCT, ART, PROTECT or HELP.
